

**CDET will be holding its annual Careers Conference: Dance, Drama and Musical Theatre at *the Liverpool Institute of Performing Arts* on Sunday 19th November 2017.**

At this conference, prospective students (and their parents) will have access to seminars and workshops, meet with representatives from CDET Accredited schools, and enjoy a unique 90 minute Showcase performance by students currently in professional training at CDET Accredited schools.

**For the first time ever, the Conference has an exclusive add-on for teachers:**

The new *Teachers Forum* will provide you with

- A free ticket to the Showcase performance
- Opportunities to meet with representatives from Awarding Organisations and Accredited Schools in the marketplace
- Seminars and guidance on marketing, social media, effective management of your school administration, safeguarding, compliance and much, much more.
- information about the benefits of becoming part of the CDET *Recognised Awards* scheme which includes:
  - complementary inclusion in CDET's national online searchable database of schools and teachers
  - access to discounted promotional and marketing materials from *Consider This UK*
  - access to massively discounted and vitally important Duty of Care & Safeguarding training through easy to use online learning with *Educare* - market leaders in this field
  - access to bespoke insurance packages with performing arts specialist insurers *Hencilla Canworth*
  - discounted offers on *DanceBiz* management software, an efficiency tool used by hundreds of dance schools for timetabling, accounting, bill payments etc
  - discounted purchases and subscriptions from partner and supporting organisations – eg. *IDS The Stage, Dancing Times*

**CDET's *Recognised Awards*, are a UK-wide scheme accessible to all pre or non-vocational, part time performing arts Schools and Teachers that are committed to delivering safe and professional standards of practice in dance, drama and musical theatre.**

Tickets for the *Teachers Forum* are available from:
