

STEVEN VERRALL

Steven enjoyed tremendous success at the Ipswich School of Dancing where he was co-Principal with his late mother Olga Wilmot. Indeed the school never lost a Schools Trophy in over 18 years!

As an Examiner he was fortunate to fly the 'National flag' overseas as well as in the UK with great pride. Now resident in Malta, he has continued his career by coaching many international competitors – particularly in Japan. Having the opportunity to lecture and coach all over the world has given him great pleasure and satisfaction.
