

NATD aims to promote the enjoyment and knowledge of a variety of dance genres through our teachers' passion and commitment to the art form. It offers an extensive range of dance forms with a comprehensive range of carefully developed graded syllabi for the amateur and professional. The aim of all our examinations is to encourage a positive approach to achievement and strive for the development of each individual to their maximum potential.

TEACHING QUALIFICATIONS There are 3 levels of teaching qualification, all assessed by examination. The entry level of teaching examination is Associate followed by Licentiate and Fellowship.
