1. Introduction

1.1 What is recognition of prior learning?

Recognition of prior learning is a way of recognising your previous skills, achievements and qualifications which may count towards achievement of the level 4 Diploma in Dance Teaching.

Telling us about your previous achievements may mean that you do not have to complete some parts of the qualification as you already have sufficient evidence to prove that you can meet the standards required.

1.2 What counts as recognised prior learning?

Learning that could potentially count towards the qualification could include:

- Qualifications gained from another regulated dance organisation
- Qualifications gained from dance organisations who are validated members of the Council for Dance, Drama and Musical Theatre
- Qualifications gained from any other regulated awarding organisation
- Qualifications gained from Higher Education institutions
- Courses attended either focussing on dance or on other aspects (for example health and safety, anatomy and physiology)
- Experience as a dancer or dance teacher

You will need to provide evidence to Head Office of the prior learning or experience you have gained. Evidence could include:

- Qualification certificates from regulated awarding organisations
- Qualification certificate from CDMT validated dance organisations
- Course certificates
- Course outlines and learning outcomes
- Course material
- Portfolio evidence
- Experiential evidence (eg a learning log, personal statement etc)
- Teaching practice evidence (eg class plans, outlines, feedback to candidates, evidence of classes taught, DVD etc)

You will need to complete the form provided by Head Office showing where your evidence meets the learning outcomes and assessment criteria for the units of the Level 4 Diploma in Dance Teaching.

Head Office will then check the evidence you have provided and the completed form and will inform you within 28 working days of whether the evidence can be counted towards the achievement of the learning outcomes and assessment criteria. Head Office will review each request for recognised learning on a case by case basis.

1.3 How do I apply for recognised prior learning?

You will need to complete an application form which is available on our website to download.

The next section gives step by step guidance about how to complete the application form.

2. Completing the application form

The application form is split into 2 sections.

Section A asks for information about your previous qualifications or courses you have taken which may meet the requirements for the qualification.

Section B asks for specific information to meet the requirements for each unit within the qualification.

Please complete the form giving as much information and evidence as you can. You may need to include additional documents. Where this is the case you can provide a reference to the document in the form.

2.1 Section A

Section A asks for evidence of achievements. Evidence of achievements can come in a range of forms, from qualification certificates to course materials or a portfolio.

For Section A you need to tick which of the achievements you are submitting as evidence for the application.

2.1.1 Qualification certificate from other regulated awarding organisations

A number of other organisations are recognised by the regulatory authorities in the UK – Ofqual, Qualifications Wales, CCEA and/or SQA. If your qualification is recognised the certificate should have the logo of the appropriate regulator(s) on it. If your certificate does not have a logo on it the organisation may still be recognised by. Currently the following organisations offering regulated qualifications:

-
- Graded Qualifications Alliance (includes awards by British Theatre Dance Association and United Teachers of Dance)
- Trinity College
- RSL Awards
- Vocational Schools/colleges/universities

To find out which organisations are recognised, check the Ofqual Register of qualifications (also covers those regulated by CCE) <http://register.ofqual.gov.uk> , the Qualifications Wales register <https://www.qiw.wales/> , or the SQA accredited qualifications database https://accreditation.sqa.org.uk/accreditation/Qualifications/Accreditation_Qualification_Search

If you do have a qualification from one of these organisations that you'd like to submit as evidence, please tick this box and include the name of the organisation and date of issue of the certificate and provide a copy of the qualification certificate.

In many cases the content of these qualifications will be similar to the NATD Level 4 Diploma in Musical Theatre Teaching.

In some cases we may ask you to provide additional information such as a course outline or syllabus so that we can cross check that the content is similar to the Level 4 Diploma in Musical Theatre Teaching.

2.1.3 Qualification certificate from other organisations

There are many organisations who offer qualifications which are not specialist organisations. This includes some of the larger recognised awarding organisations such as Pearson, City and Guilds, AQA, NCFE etc.

To find out which organisations are recognised, check the Ofqual Register of qualifications (also covers those regulated by CCE) <http://register.ofqual.gov.uk> , the Qualifications Wales register <https://www.qiw.wales/> , or the SQA accredited qualifications database https://accreditation.sqa.org.uk/accreditation/Qualifications/Accreditation_Qualification_Search

If the organisation is recognised, check your certificate for a regulator logo.
