

# THEATRICAL BRANCHES – AGE DIVISIONS – Annette Hufton

The ages and numbers of candidates per examination entry have been rationalised as there were quite a few variations that had crept in with the development of all the genres that are now available. With thanks to all the Senior Examiners for their help and co-operation it has been possible to streamline many of the requirements which should be applied to any sessions after the Easter Break from May 1st please. If any session timetables have already been planned, that is acceptable as we would not wish to cause confusion to students and teachers but please amend your syllabus guidelines for the future.
